MONDAY!!

Mondays are always busy! We kick off the week with Hygiene Checks, Clothing Checklists, Reward picks and Introductions to the Zones and the Social Skill of the week. Below we have a few photos from our students in their 'Blue Zone' and taking part in our Zones Scenarios game. A few of our students even attend the Gym on top of this, a special thanks to Pinomi for giving our students the opportunity to attend his gym, A FITNESS.

TUESDAY!!

Our Tuesday PMs like to focus on different sports activities for our students to learn. Here are some photos of our Kowhai kids participating in our planned sports programs with their peers from Te Puna and Puawai cottage. The past couple weeks we have been teaching our students how to play, Turbo touch, this is to support them around the rules of the game because we play Turbo touch every Friday at the trust stadium.

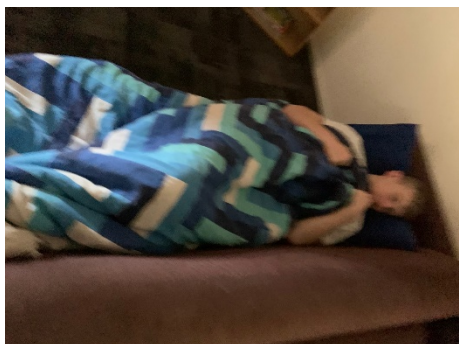

WEDNESDAY!!

Here are some photos to show what our Kowhai, cultural art, team planned for our students the past couple weeks. Our students in Kowhai enjoy cultural arts and learning about different cultures, especially cause Kowhai team is made up of many different cultures. Our students learnt how to make, Panipopos and Fry bread.

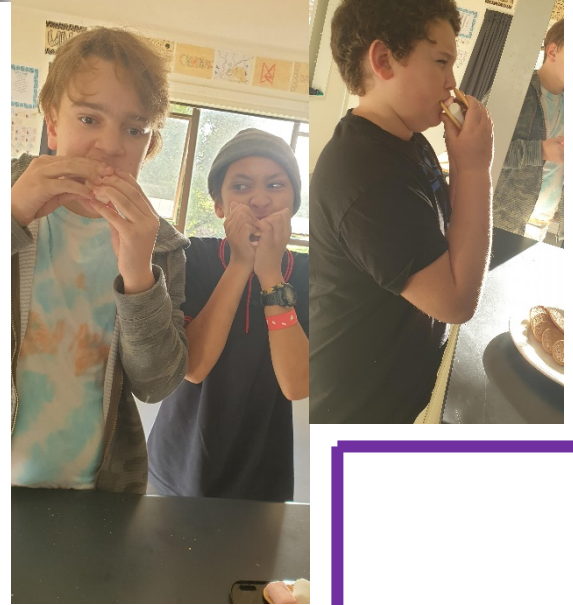

THURSDAY!!

Thursday PM!! A day where it consists of life skills programmes. This week our Kowhai students got to take part in auction, mindfulness and going off-site to the gym for some boot camp!! Here are some photos to show how our Thursdays have looked in Kowhai, over the past two weeks.

WEEKEND FUN!!

Fridays, Saturdays and Sundays are our 'chill' days. Here are some photos of what our weekends in Kowhai have looked like in the past two weeks. Our students enjoyed making slime, making smores, baking, going off-site and playing community sports.
